**JOINT MOTION TO MODIFY CASE SCHEDULE**

Briggs and Stratton Corporation and Kohler Co. (together, “Opposers”) and Honda Giken Kogyo Kabushiki Kaisha (“Applicant”), through their designated counsel, jointly request that all case deadlines as set by the Board’s February 16, 2014 Order be extended by approximately six months.

The parties previously agreed that the depositions of Applicant’s Rule 30(b)(6) designees who reside in Japan may take place after the close of discovery. *See* Dkt. No. 91. The parties further agreed that the depositions of both functionality experts would take place after the official close of discovery, but no later than the start of Opposers’ Trial Period. *Id.* The scheduled May 2014 deposition of one of Applicant’s Rule 30(b)(6) designees who resides in Japan was postponed due to a death in the witness’s family. In addition, Applicant’s counsel has two trials scheduled in October and November of 2014. This extension is intended to accommodate the time required to reschedule the canceled Rule 30(b)(6) deposition, complete expert discovery, and accommodate the schedules of counsel.

Specifically, the parties request that the schedule be modified as follows:

Opposers’ Pretrial Disclosures Due January 5, 2015

Opposers' 30-day Trial Period Ends February 19, 2015

Applicant's Pretrial Disclosures Due March 6, 2015

Applicant's 30-day Trial Period Ends April 20, 2015

Opposers' Rebuttal Disclosures Due April 30, 2015

Opposers' 15-day Rebuttal Period Ends May 30, 2015

If, prior to August 15, 2014, Applicant's counsel's trials are resolved or rescheduled, the parties have agreed to confer about the possibility of accelerating the case schedule so that Opposers' trial period will occur in the October to November 2014 time frame; Applicant's trial period will occur in the January to February 2015 time frame; and Opposers' rebuttal period will occur in the March to April 2015 time frame. In that event, the parties will file a joint motion to modify the case schedule as appropriate.

WHEREFORE, cause having been shown, the parties respectfully request that their joint motion be granted.
